Anyone wishing to review his/her final exam should make a request through my secretary, Toni McGuire. **Reviews will not take place this summer; I'll hold them when classes begin again in August.** I'll let you read your essay answer and compare it with copies of two good responses to the essay question. I do not allow copies of the exam booklet to circulate, but you can review the objective portion of the exam (or any aspect of the exam or your final grade) with me.
