Attorney of record for Indiana clients of local insurance defense firm from Sept 2007-May 2008. Involved in all aspects of insurance defense litigation, including research, depositions, pleading preparation, correspondence with clients and opposing counsel.

Attend and report on mediations for Ohio insurance company.

Jacqueline Meyer Goldman, Attorney & Counselor at Law, Cincinnati, Ohio

2003 - present

Sole practitioner with cases in Hamilton County Domestic Relations, Juvenile and Municipal courts, handling all aspects of litigation.

Guardian ad Litem for Hamilton County Public Defender's Office, representing indigent clients in court.

R.L. Stevens & Associates, Inc.

Cincinnati, Ohio

January-October, 2007

Senior Consultant for Career Marketing firm. Conducted client seminars, testing and assessment, one-on-one counseling, resume writing and employment research.

Tobias, Kraus & Torchia

Cincinnati, Ohio

March 2002-May 2003

Associate Attorney for Employee Rights litigation firm. Duties included research, brief writing for appellate cases and summary judgment responses, all types of discovery preparation and analysis, depositions, client support, client representation, mediation and negotiations.

CONTRIBUTIONS AND ACCOMPLISHMENTS

Strong analytic and research skills. *Secured reinstatement of disability benefits for client by thoroughly analyzing policy provisions, insurance file and client medical records; contributed to success at trial by recognizing discrepancies between witness deposition testimony and testimony at trial.*

Clear and insightful communication and negotiation skills. *Convinced client with unreasonably high expectations and poor witness skills of the need to accept negotiated settlement; negotiated shared parenting agreement between maternal grandmother and paternal grandfather of neglected child by working to uncover and satisfy needs and concerns of both parties.*

Efficient use of client and firm resources. *Time and cost savings through establishing effective and efficient communication, information tracking and document preparation methods.*
