Fall 2015 1L JD Meetings

We will hold sessions on Wednesday afternoons from 1:30 to 2:55 pm in room 114 as listed below. These meetings are intended to introduce you to things you need to know at the law school, introduce you to some local lawyers who represent the organized bar associations, help you prepare for a job search, and help you get ready for exams (note – you don’t have to think about exams today!). Any LL.M., transfer, or certificate students who do not have class during this time of day are also welcome at these sessions.

August 26 – Introduction to the Honor Code with the student leaders of the Honor Council, Associate Dean Nancy Oliver, and Diane Cross from CPD. Read and bring your copy of the Honor Code contained in this packet.

September 9 – Introduction to the Organized Bar with leaders of local bar associations.

September 16, 23, 30, October 7, 21, and 28 – PD with CPD: A series that will expose you to the competencies required to succeed in today’s workplace and the work done by lawyers.

November 11 – Exam meeting with Associate Dean Nancy Oliver and John Hopkins of the library to discuss how our exam process works and using exam software.

Please mark your calendars and plan to attend all of these sessions.
