

COLLEGE *of* LAW

# HONOR ROLL of DONORS

2014

*Making an Impact*

*Darnell Wilson  
UC College of Law,  
Class of 2016*

# *from the* DEAN

Dear friends,

I am genuinely moved by the enormous impact you are having on our College of Law and its drive to meet the challenges of legal education in the 21st century. These are tumultuous times, and you have responded by strengthening your commitment to the College and its mission.

That mission – to educate and inspire leaders who pursue justice and advance the role of law in society – takes passion and hard work. It also takes financial support – for student scholarships, professorships, centers and institutes and clinics, and the wide range of programming that enlivens the school. And you have increased, and continue to increase, your support with tremendous generosity.

In 2014, your contributions to the College grew to nearly \$3.2 million, an impressive figure. The number of you who contributed to the College increased 11.4 percent. That's impressive too.

We are a community – of alumni, friends, partners, faculty, students, and staff – drawn together by our dedication to the good that law and lawyers bring to society. To all of you, and on behalf of all of you, go the sincerest and most heartfelt thanks.

With deepest thanks and appreciation,

A handwritten signature in black ink, which appears to read "Louis D. Billionis". The signature is fluid and cursive, with a long horizontal stroke at the end.

Louis D. Billionis  
Dean and Nippert Professor of Law

# GIVING

## Giving

Your gifts are crucial to the continued success of the College of Law and its students. Our annual Honor Roll of Donors recognizes the generosity of our many alumni and friends.

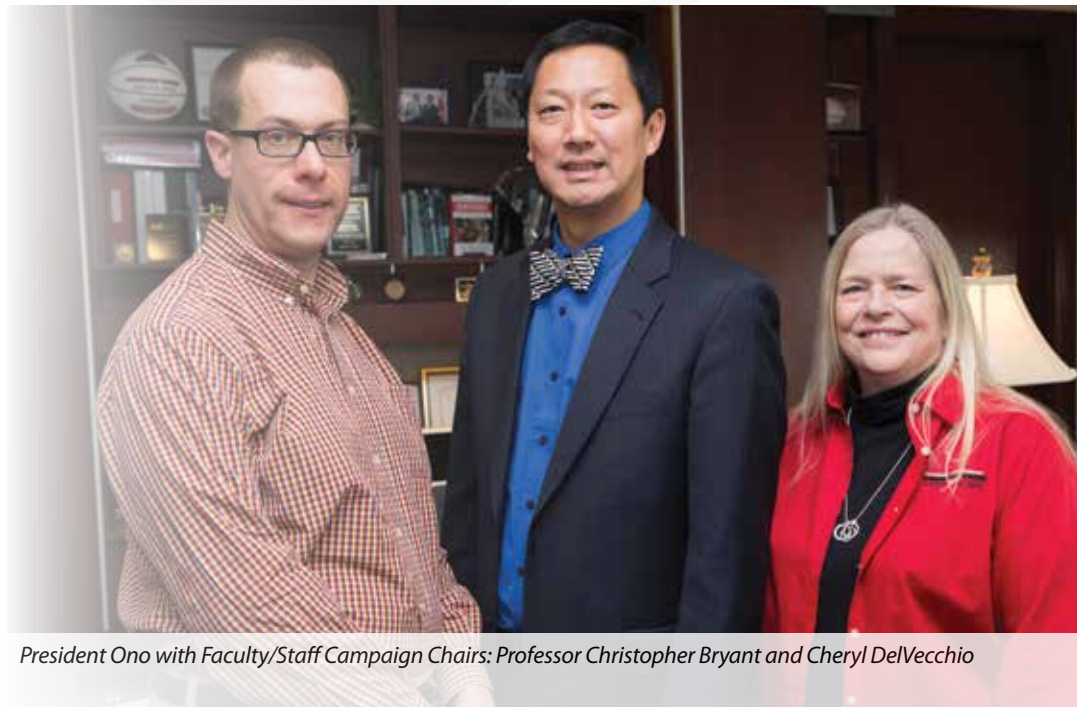

**Annual Fund** Each year, gifts to the annual fund enable us to respond to the college's highest priority needs and withstand economic fluctuations. You may choose to designate your gift to a specific funding opportunity.

## Ways to Give

**Matching Gifts** Many employers match any charitable contribution made by their employees.

**Planned Gifts** Support the college as part of your estate planning, through such instruments as trusts, charitable gift annuities, or naming the College of Law as a beneficiary in your will.

**Endowed Funds** Endowed scholarships help keep tuition affordable for our law students. The generous contributions of our alumni and friends make it possible to award annual student scholarships. Likewise, endowed chairs and professorships are critical for recruiting and retaining a world-class faculty.

*President Ono with Faculty/Staff Campaign Chairs: Professor Christopher Bryant and Cheryl DelVecchio*
