COURSE DESCRIPTION:
The focus of this course is advanced legal drafting in the transactional context, where students will build on the skills learned in Introduction to Legal Drafting through more sophisticated assignments. The course is highly interactive; minor drafting assignments will be completed each week and will form the basis for classroom discussion while major assignments will be completed periodically. Some of the graded major assignments will include amendments to an existing contract, legal opinions, master services agreement, and corporate resolutions.

Students that have previously taken a 3-credit Legal Drafting course are not eligible for advanced Legal Drafting.

Students may take both Advanced Legal Drafting and Corporate Transactions.

This class is pending faculty approval.
