If you need help with this, please contact Lori Strait, the College's Scheduler, or the Dean's Office.

Accessibility for Students or Other Participants

Please remember that informal discussions after a class or event can provide valuable learning and networking opportunities. To make these opportunities accessible to everybody in classrooms 114 or 118, please move such discussions to the back of the room.

Audio/Visual Needs

To schedule audio/visual needs, send an email to law_av_supt@ucmail.uc.edu or contact Michael Mimms, (michael.mimms@uc.edu), 556-0161. AV support can also be requested automatically by checking the appropriate box on the room reservation form.

Stratford Heights DOES NOT have audio/visual capabilities. Check with our law school AV support staff to see if they can accommodate your needs.

Publicity/Communications

Set up a meeting with Sherry English (sherry.english@uc.edu, 556-0060, Room 204A), College Relations Director, to review your communications needs.

Publicity

Consider what might be the most effective advertising tactics for the event– email, snail mail, Updates@UCLaw, E-Currents, press releases, ads, etc. (compare costs, timing).

Sherry can assist you with brochure design, registration form information, and will post program information and registration information on the law school website. Brochure design templates can be found at <http://www.uc.edu/ucomm/resources/templates.html>. You are responsible for creating and printing your own event brochures.

Mailing lists can sometimes be obtained from the Alumni Development Office.

Photography

Sherry English can make arrangements for a professional photographer if needed. A Canon PowerShot 310 digital camera has been purchased for law school use and may be checked out from the Law Library Circulation Desk during library hours of operation.

Be sure to download your pictures before returning the camera. AV Support will delete any files from the chip and ensure that the camera battery is recharged for the next user.

Whether you borrow the camera from the library, use your own camera, or make separate arrangements, be sure to send Sherry English your digital photos for post-event publication in *Counselor*, Updates@UCLaw and/or on the website.

Webcasts

If your program needs to be webcast, arrangement can be made with Sherry English.

Signage

The law school has portable stands located at each of the entrances, as well as in front of the library and in the Crow's Nest. Signs can be placed in the stands on the day of your event to help direct visitors to the appropriate location.

Events also will be listed on the school's digital sign screens. Be sure to let Sherry know event details (such as title, date, time, location) so the appropriate information can be highlighted.

Registration Requirements

The registration process can be done by phone, mail, or email. Be sure to indicate exactly how to register on the registration form.

When a fee is involved with the event, the law school is only permitted to accept payment by check. WE CANNOT ACCEPT PAYMENT BY PAYPAL OR CREDIT CARD.

Credit card payments can be made through the University Conferencing Center, www.uc.edu/eventservices/scheduling.html, 558-1810. The Conferencing Center charges a fee for this service.

An electronic version of the registration form should be sent to Florine Postell (florine.postell@uc.edu), 558-1810. She will then post the form to a secure website and provide you with the URL address to be added to the law school website for registering guests.

You must also provide an account code in order for the Conferencing Center to deposit the monies received into the appropriate account. This account information can be obtained from Assistant Dean of Administration and Finance, Jim Schoenfeld (jim.schoenfeld@uc.edu), 556-0064, Room 200D.

Updates on number of registrants can be determined as necessary, i.e., daily, weekly, bi-weekly, etc.

NOTE: Not all CLE programs have a fee to attend.

CLE Requirements

When hosting an event for CLE credit hours, select the topic of the event and determine the amount of time the event will last, excluding all breaks, breakfast, lunch, dinner.

Submit information including program description, agenda, handout materials and speaker bios to the Assistant Director of Curriculum and Student Affairs, Cheryl DelVecchio (cheryl.delvecchio@uc.edu), 556-0063, Room 200. This must be submitted to Cheryl **no less than two months prior to the event** in order to get approval from the Ohio Supreme Court or the Kentucky Bar Association.

When approval has been granted, Cheryl will supply an appropriate amount of cards for the event which will contain the activity number.

The law school can only submit CLE to Ohio, Kentucky and Indiana. Registered guests requiring other state CLE credit will have to file it themselves.
