Purpose of the Collection

The Segoe Collection is made possible by the generous donations from the Ladislav and Vilma Segoe Family Foundation. City and regional planning is a high priority of the Foundation and as such grants have been made for establishing and updating the Land Use Library at the Robert S. Marx Law Library.

This quick resource guide is intended for students and practitioners conducting research in the area of land use, planning and zoning law. This guide provides a listing of the more important and relevant materials in this subject area available at the Robert S. Marx Law Library within the Segoe Collection or our Reserves Collection.
