

Computer and Internet Law

Professor Timothy K. Armstrong

Fall Semester 2007

Dear Students—

Welcome back to law school! I hope you had an enjoyable summer break.

The required casebook for this class is *Cyberspace Law: Cases and Materials* by Ku and Lipton (Aspen Publishers, 2nd ed. 2006).

For the first day of class, please review and be prepared to discuss all the materials in Part 1 of the course syllabus, as well as the materials under the first heading (“Utopianism and Realism”) of Part 2. This works out to pages 1–23 of your casebook plus pages 1–2 of the handout.

T.K.A.
