

# CRIMINAL PROCEDURE

FALL 2008  
PROFESSOR GODSEY  
UC COLLEGE OF LAW

## **Text Book:**

Dressler & Thomas, CRIMINAL PROCEDURE: INVESTIGATING CRIME (3<sup>RD</sup> ED. 2006) and the 2008 Supplement.

## **Grading:**

Your grade will be based on the final exam. I reserve the right to adjust your grade based on class participation. In general, a few top participators may have a few points added to their exam score, and students who are chronically unprepared or absent may have a few points removed (upward and downward adjustments for class participation will never be greater than a one grade deferential, i.e., B to B+ or B to B-). The majority of the class typically does not receive any adjustment based on class participation.
