COURSE DESCRIPTION:

This course examines the development of human rights and the substantive principles and practices of human rights as set forth in the Universal Declaration of Human Rights and other instruments. This course also reviews the regional and international procedures for the implementation of human rights.

SPECIAL NOTE:

Taking this course satisfies only one of the graduation requirements (seminar or writing). If you take this course and have not yet satisfied the seminar requirement, you will be deemed to have met the seminar requirement. However, if you take this course and you have already met the seminar requirement, you will be deemed to have met the writing requirement. Two, separate courses are required to satisfy both the seminar and writing requirements. No one course satisfies them both.
